

LOCKSMITHS

Anti Robbery + Fire Resistant Safe

Matrix Deposit Drawer - 1212-11

Securing Peace of Mind

- At Home
- At Work

The Matrix Deposit range is designed to meet the requirements of the Retailer wanting to cost effectively manage cash in-house.

They enable staff to skim tills and deposit cash regularly during the day, and then have a Manager/ Owner open the safe when required to complete a banking run.

They are manufactured under an accredited Integrated Management System (IMS) Certification, which encompasses the ISO 9001 :2000, and OH SAS: 18001 (Operational Health & Safety Assessment Series) Certifications - thus committing delivery of high quality products, under pre-defined quality and safety procedures, which are being continually monitored and assessed by Internal & External audits.
