

LOCKSMITHS

Anti Burglar + Fire Resistant Safe

Euro Lite S2 - Model FS-50

The Euro Lite range is a European inspired design to meet the requirements of Consumers living in lower risk environments.

The S2 models are a lightweight design suitable for Apartments, Retirement Villages, Student Accommodation, and in some instances upper level installations in Private Homes, where other methods of Access Control are present.

They are manufactured under an accredited Integrated Management System (IMS) Certification which encompasses the ISO 9001 :2000. ISO 14001 and OHSAS : 18001 (Operational Health and Safety Assessment Series) Certifications - thus committing delivery of standard products under pre-defined quality and safety procedures which are being continually monitored and assessed by Internal & External audits.
