

LOCKSMITHS

Deposit Safes

DD-2D Deposit Safe

As the first safe in the DD Series to convert to a handle driven bolt work design, the DD-2D allows more cost efficient conversion to electronic locking and improved locking strength by incorporating three 32mm diameter locking bolts.

The 12mm door thickness and 6mm body thickness ensure high resistance to forced entry as well as a stronger installation, and the internal size permits a larger volume of secure storage.

Features:

- 12mm thick solid steel door
- 6mm thick steel body
- Reinforced solid steel framework
- Internal hardened steel anti drill plates
- Case mounted reloading device
- Hinge side anti pry protection
- Toothed edge to rear of slot to prevent fishing
- 4 internal pre-drilled bolt down provisions
- Universal lock footprint for easy lock conversion
- 5 year structural warranty to safe
- US made LaGard digital locks or Australian made key locks as standard or Ross 700 key lock
- Durable painted finish
- Exterior lift off hinges

Specifications:

- External: 508mm H x 355mm W x 355mm D
- Internal: 260mm H x 343mm W x 295mm D
- * internal height includes storage area only
- Door open Width: 640mm
- Door open Depth: 680mm
- Weight: 48 kgs
- Capacity: 52 Litres
- Paint finish: Textured black
- Locking points: 3
- Lock options: LaGard Basic electronic, LaGard Group 2 mechanical combination
- Bolt down provisions: 4 internal bolt holes
- Cash Rating \$15,000 in an unsupported situation

Wynns price:

\$951.00 (including GST)
