

LOCKSMITHS

Yale Document Fire Safe

Medium - YFM/310/FG2

This Yale Fire Security Safe is equipped with a unique digital security keypad with many user functions and features.

A scramble number input enables personal codes to be hidden within longer sequences of numbers. Whilst additional access codes can be set for one time use. This state-of-the-art safe has been carefully designed to be worthy of your confidence and the Yale brand name.

Features:

- Spring-loaded door with 16mm motorised bolts
- Easy to use keypad interface
- LCD Display panel with back light
- Programmable with 100,000+ combinations
- Two (2) individual programmable codes
- One-touch re-set button (internal)
- Key pad alarm and time lock function if the incorrect code is entered 3 times consecutively
- Mechanical override lock (2 keys included)
- Low battery indicator
- Emergency external battery access
- Fixing bolts included

Specifications:
