LOCKSMITHS

Yale Document Fire Safe Extra Large - YFM/520/FG2

Perfect for protection of passports and other precious documents from fire.

All Yale Fire Safes are equipped with a unique digital security keypad unlike any other on the market today. A scramble number input enables personal codes to be hidden within longer sequences of numbers, whilst additional access codes can be set for one time use, ensuring privacy no matter who is in the room when accessing your safe. These state-of-the-art fire safes have been carefully designed to be worthy of your confidence and the Yale brand name.
